Case Study

FIREsafe™ **FIBREfree** **ECOsafE** **AQUAsafe**

Countdown, Huntly

Kingspan has supplied roofing and wall panels for a number of Countdown Supermarket projects around NZ. Typically the stores have involved both panels and Kingspan Safespan rooflights.

Our panels provide fast installation, a clean internal surface and guaranteed thermal performance. The Countdown green was a colour match to suit the corporate colour requirements.

Kingspan reserve the right to amend product specifications without prior notice. The information, technical details and fixings advice are given in good faith but are intended as a guide only. For further information please contact Kingspan Insulated Panels
